

MMS ACADEMY

Whether you're a student, recent graduate, or a working professional, furthering your education can broaden your appeal to employers and have a dramatic effect on your career opportunities. At MMS Academy, we believe in catering to the next generation of scientists and expanding learning beyond offices or classrooms. That's why we offer relevant courses and hands-on learning through our convenient global online platform. Created by subject matter experts and an award-winning, global CRO, MMS Academy empowers students around the world with the critical in-demand knowledge that they need to succeed in the pharmaceutical industry and beyond.

Professional courses taught by pharmaceutical industry experts in medical writing, clinical programming, medical coding, and clinical trial disclosures

Students and support across four continents – Asia, Europe, North America, and South Africa

ACCELERATE YOUR CAREER

Industry-certified

Our assessment-based certifications meet the standards of the Institute for Credentialing Excellence (ICE) 1100 and ISO 9001:2015, and our Medical Writing and Disclosure courses are accredited by the Accreditation Council for Pharmacy Education (ACPE).

Award-winning

Backed by an award-winning, data-focused CRO that supports the pharmaceutical and biotech industries with a proven, scientific approach to complex trial data and regulatory submission challenges.

How it works

All MMS Academy courses are offered through Canvas – a convenient online global education platform. Take the classes and complete the lessons on your schedule!

Partnerships

MMS Academy has partnerships with various educational institutions and training institutes to provide online courses to students. Through these partnerships, students are able to earn Technical Certifications.

EXPAND YOUR CAREER OPPORTUNITIES
